Invitation

It is with great pleasure that we invite sponsors and exhibitors to the SPIE Advanced Biophotonics Conference 2025 (SPIE ABC 2025), to be held at Sono Belle Jeju, Jeju, Korea, from October 29 to November 1, 2025.

SPIE ABC 2025 will be attended by eminent experts in the field of biophotonics, who are the driving force behind technological advancements and the application of fundamental optics to emerging technologies and devices.

Sponsors are essential partners of the conference, showcasing equipment and expertise that are integral to the event's strength and educational value. Your participation will enrich the conference through a successful exhibition, allowing the global community to experience the latest technologies shaping the field today.

We encourage you to take this opportunity to promote your company and its products during the conference.

Your active involvement in SPIE ABC 2025 will not only enhance your company's leadership and credibility but also make a meaningful contribution to the advancement of cutting-edge areas such as Molecular and Cellular Imaging, Clinical & Translational Biophotonics, Optical Tomography and Tissue Optics, Nanobiophotonics, Neurophotonics, Computational Optical Microscopy, Biophotonic Enabling Technologies, and all related fields.

We are confident that, together, we can make SPIE ABC 2025 a highly successful and impactful conference.

Thank you very much for your attention and support.

Sincerely,

Ki-Hun Jeong
