Invitation

Dear Industry Partners and Colleagues,

It is our great pleasure to invite you to participate as a sponsor and exhibitor at VASSCAA-13 (The 13th Vacuum and Surface Sciences Conference of Asia and Australia), which will be held in conjunction with the 71st KVS (The Korean Vacuum Society) Summer Annual Conference. This prestigious event will take place from August 23 to 27, 2026, at the Sheraton Hotel Jeju, Korea.

VASSCAA-13 is a premier international conference that brings together world-renowned scientists, engineers, and industry leaders to discuss the latest advancements in vacuum science, surface analysis, thin films, and plasma applications. As these fields continue to drive the evolution of semiconductors, display technologies, and renewable energy, your role as an industry partner is more critical than ever.

As a sponsor, you will gain unparalleled access to a diverse audience of approximately 700 experts from across the Asia-Pacific region and beyond. This conference provides a unique platform for:

- **Showcase** your latest equipment, technologies, and services to key decision-makers.
- **Enhance** your brand visibility through various sponsorship levels and branding opportunities.
- **Network** with eminent researchers and potential collaborators in a professional yet relaxed environment in beautiful Jeju.

We offer various sponsorship categories designed to maximize your company's exposure before, during, and after the conference.

We look forward to welcoming you to Jeju and working together to advance the frontiers of vacuum and surface sciences.

Thank you for your continued support and partnership.

Sincerely,

Il Ki Han
